Dear Mr. Fauntleroy:

We are co-counsel, with McCreedy & Cox, for [REDACTED] in connection with his application for admission to the New Jersey Bar. We recently submitted an RG 304 Brief on Appeal.

I learned today that you are chair of the State Committee on Character. I write to request that you recuse yourself from consideration of Mr. [REDACTED] application, based on public criticisms I have made of your past performance as a member of the Committee on Character. I enclose a printout from my firm webpage, which you can locate at [www.mccarterhiggins.com/Maguire.html](http://www.mccarterhiggins.com/Maguire.html). I do not know whether you are aware of the enclosed commentary, but the chance that you are, or that you might become aware during the pendency of Mr. [REDACTED] application, compelled me to write this letter.

Thank you for your attention to this request.

Very truly yours,

George W. C. McCarter
